Ladies Links Tour Golf Association

Ladies Links Tour Golf Association (Ladies Links Tour) is a not-for-profit organization created to promote golf for women in a friendly and non-competitive environment.

Ladies Links Tour is the largest organization providing non-competitive golf for women in the Greater Toronto Area. Women golfers of all skill levels have the opportunity to play every day of the week, selecting from a variety of courses.

Ladies Links Tour gives women golfers a chance to play with others of similar skill level. We provide a great chance for those who are just starting out in the game to gain the confidence they need to enjoy playing with better golfers or male golfers. It provides seasoned golfers with a great opportunity to meet other golfing partners and enjoy regular, weekly golf.

Ladies Links Tour currently provides golf choices on virtually every morning or evening of the week, giving members the ability to find a weekly golf outing that fits their schedule. We offer clinics by respected professionals, as well as a variety of winter events to keep the momentum going. Our golf season starts and finishes with a club tournament, and throughout the season we offer special events such as golf getaway weekends, and 'nine and dine' evenings.

Ladies Links Tour is a regular contributor to charities. At each weekly golf event, 50-50 draws produce funds that are donated to charities that our members believe in and wish to support.

The Ladies Links Tour season opens in early to mid- May, and operates weekly through to mid- September. Registration opens in January each year and is on a first-come, first-served basis.

The membership year runs from March 1 to February 28 of the following year.

Your membership fee entitles you to golf at any of our courses at a special rate, plus, the ability to participate in clinics, special events and our tournaments at a price that is set for each event. Your fees are used to keep the prices of our special events as low as possible, and to support the small, part-time management team that runs the organization and supports the many members who volunteer their time.

At Ladies Links Tour, we believe there is enough stress in life – your golf game shouldn't add to it! Relax; enjoy the walk ...the fresh air ...and the company of friends – new and old.

We invite you to join us in making golf for women fun.

Ladies Links Tour offers weekly golfing at a variety of courses, including:

Bushwood
Maples of Ballantrae
Carruther's Creek
Markham Green
Glen Cedars
Oakridge
Bathurst Glenn
Royal Woodbine
Hawthorne Valley

Courses may change in response to member interest each year.

Please Note: Our online tee booking, registration and website communication help us keep our fees low. Please provide your email address so that we can use email to distribute information, including our newsletter. All new information is available at:
